Identifying Teacher Preparation Programs

Using the Title 2 reports, which contain national teacher preparation data, will help you decide which educator preparation programs to form partnerships with, where to locate specific types of candidates, and where to find candidates with specific licenses for hard-to-staff positions.

To find diverse candidates, follow the steps listed below:

Step 1: Enter the Title 2 url into your browser

https://title2.ed.gov

Step 2: Click on the state of Ohio.

Step 3: Select “Data Files” in section 5.
